The user interface has been carefully designed to make it comfortable to shoot while looking through the viewfinder Most frequently-used shooting data, such as the remaining number of shots, shooting mode, shutter speed, aperture, exposure compensation and ISO sensitivity, is displayed outside live view You can select the icons

FUJIFILM TIPS AND TRICKS - Dan Bailey

The built-in film simulations are another thing I love about the Fuji X Series cameras These special color profiles were engineered to replicate some of the classic Fuji films of the 80s and 90s I started shooting back in the film days, and I actually used Velvia, Provia and Astia on a regular basis
